**Historic Landmark #17  
Brazos Drive-In Theatre**

The Brazos Drive-In was built in 1952, and has been in continuous operation since. It is one of the few remaining original drive-in theaters in Texas. The Brazos Drive-In has one screen and original old concession building as well. The Drive-In is a reminder of the euphoric post World War II era in American and Texas history. Mr. and Mrs. Fort Keith built the Drive-In in the style of Art Deco, which was highly popular in the 1950's.

**The Brazos Drive-In was designated a Granbury Historic Landmark by the City of Granbury Historic Commission October 7, 2003 and re-designated a permanent landmark April 1, 2008.**
