SKILLS

- I am generally a peacemaker and can diffuse a situation instead of create chaos.
- I am a great plumber.
- I am mechanically inclined.
- I can remember names and details about people that make them feel significant.

ACTIVITIES

Camping is one of my favorite past times. I was 6 weeks old when I first went camping. Our most recent camping trip was in Fall 2021. Camping is a passion, not just a career. It is a goal of mine to visit every National Park.

There is nothing better than spending time with family. I love to host family meals. My grandchildren are 2 of my biggest treasures. I love when all four generations can come together which is often.

For all my adult life I have volunteered at our church. I have done anything from teaching Sunday School to 4-year-olds, small group leader of high school girls, accompanied high school students to summer camp, chaperoned church ski trips, and hosted young adult Bible study group in our home for 6 years. My husband and I were the directors of the "Coffee House" venue in our church and staffed and did the purchasing of supplies for the venue for 1.5 years.

I serve on the Board of Directors for TRVA (Texas Recreational Vehicle Association) and am a past Treasurer for the association. I am now the Park Representative for the entire state.
