NEWS RELEASE

For Immediate Release

August 10, 2020

'BECAUSE WE LOVE GRANBURY' mask campaign kicks off with FREE Business Kits, Friday

Granbury, Texas – The City of Granbury and the Visit Granbury office will kick off their “*Because We Love Granbury*” mask campaign on Friday, from 11 a.m. to 1 p.m., with the distribution of FREE ‘Business Kits’ to the first 100 businesses that sign up. Smiling faces from the City, Visit Granbury and the Hood County News will be on hand to distribute the business kits.

The drive-thru giveaway will happen at the Hood County News parking lot (1501 S. Morgan St., Granbury), and will be on a ‘*First Come First Serve*’ basis.

The kits will come in their very own #*GranburyLove* white boxes and will include two t-shirts, 20 disposable #*GranburyLove* masks, a window poster, a window “cling” for restrooms showing patrons how to wash their hands and five hand sanitizers. Those who miss the drive-thru event can pick up their business kits at the Visit Granbury offices or Hood County News.

“We encourage everyone to show their Love for Granbury and help us keep Granbury open for business,” said Visit Granbury Director Tammy Dooley.

The *Because We Love Granbury* program will also be giving out 3500 free “Brandanas,” which are worn around the neck and can be pulled up to cover the mouth and nose, in late August or early September. More information will follow on this portion of the project.

Business kits can be pre-ordered by calling the Visit Granbury office at 817-573-5548 or by emailing Samantha Carr at scarr@granbury.org to reserve their business’s kit. For more information please contact Visit Granbury Director Tammy Dooley at tdooley@granbury.org.
